wedding photography pricing

I have been a photographer for many years now and wedding photography is something that goes beyond a paycheck for me. I take great pride in helping you capture your special day and have fun at the same time. In 2016 I was named one of the 25 best wedding photographers in Seattle. I proudly have over 100 Five Star reviews on Weddingwire. I think a wedding should be a celebration and not just a timeline event. We will work together in the months leading to the wedding to make sure that we have everything ready to go. Below are my wedding packages. The deposit and final payment are the only items you'll pay for, no small print, no tricks.

Half day package: 2,200. Not every wedding is a full day celebration. Sometimes it's an intimate gathering that might only be 4-6 hours long. The half day package includes:

- Up to 6 hours of shooting.
- Edited photos in a private gallery.
- App for viewing all edited proofs on mobile device or tablet and sharing ability.
- USB drive with all edited photos.
- Pre event consultation

Full day package: 3,000. I love being able to capture a wedding day from start to finish. The full day package includes:

- Up to 10 hours of shooting.
- Edited photos in a private gallery.
- App for viewing all edited proofs on mobile device or tablet with sharing ability.
- USB drive with all edited proofs.
- Pre event consultation.

Deluxe package: 4,000. This package includes:

- 12 hours of shooting.
- 2nd shooter
- 32 image leather bound album.
- Customized slideshow for desktop, DVD or mobile device.
- App for viewing all edited proofs and sharing ability.
- Edited photos in a private gallery.
- USB drive with all edited proofs.
- Pre event consultation.

Don't forget to figure in sales tax when you're considering your budget.

We can add additional time to the full day if need be for 200.00 an hour. We can also add a beautiful leather album with 32 of your favorite photos for 500.00. A 2nd photographer can also be added for 500.00.

An engagement session can be added for 300.00 and 400.00 if I'm not shooting the wedding.

I love sitting down with a potential client and hearing about their wedding plans. Email or call me and we'll set up a time to get some coffee and chat more about your special day.
